

P3 THE ENTERTAINER

MAMMOTH MOUNTAIN
2050

Ski Resort

a streamlined ski trip for everyone.

PROBLEM STATEMENT

Skiers who feel **frustrated** by disconnected and inconvenient skiing experiences **need** an integrated journey from home to the mountain and back that eliminates traditional pain points, but often **lack** seamless transportation, facilities designed for ski gear, and community-focused recovery spaces.

Ramen Grab-and-Go

On the magic carpet, there will be multiple warm cups of ramen to go so that people can enjoy warmth, food, and an on-the go activity packed day without sacrificing a satisfied stomach.

Visitor Personas

Type 1: The Chill Pill.

This visitor needs to take a breather by sitting down, resting, and recharging after the journey getting to the mountain.

Type 2: The Go-Go-Go!

This visitor is on the go and does not want to get stuck in delays or pauses. Getting to the Ski lift in a speedy manner is the priority.

SKI LIFTS

Restrooms

Accessible and scattered around the mountain. Includes heated ovens for wet equipment, storage space, and gorgeous views of Mammoth.

When are we supposed
to return?

The bullet train and magic carpet systems
allow for ski trips to be effecient enough for
this ski trip to be either

- 1. a feasible day trip!**
- 2. a convenient overnight stay**
